From: Mike Mullin

Subject: Drug Diversion Review

Date: 08/04/10

A review of the ordering practice of Wal-Mart Pharmacies for controlled substances was reviewed for the past month and there was no indication of any excessive orders or practices that would indicate diversion:

Pharmacies with monthly orders that are high when compared to the other Wal-Mart Pharmacies for the same product:

Store # 8115 Address 596 Bobby Jones EXP City Augusta State GA
 Item Dextroamphet SR10MG NDC# 00555095502 # Ord 4 bottles of 100
 Comments These 4 bottles accounted for 2.41% of total RX for the Months of July
compared to the next highest store which was 2 bottles accounting for .41% total RX

Store # _____ Address _____ City _____ State _____
 Item _____ NDC# _____ # Ord _____
 Comments _____

Store # _____ Address _____ City _____ State _____
 Item _____ NDC# _____ # Ord _____
 Comments _____

Additional Information: Even though it was only 4 bottles of product the Sam's is a small
pharmacy. On review this order does not appear to be excessive beyond the % to order #.
